GREETINGS HERO ALUMNI!

Welcome to the summer edition of the HERO Happenings—your new and revamped alumni newsletter! Even though the school year's been off, HERO's been busy. Stay tuned to learn more about a new spot for GBMs, some of our incredible class of 2025 graduates, and a new squad car!

GBM LOCATION UPDATE

Starting this fall, our weekly GBMs will be held in a multipurpose room in the newly opened Hopkins Student Center (HSC), giving us the space and resources to make our meetings more engaging and support a consistently high quality of care. The HSC will offer a wide range of amenities, including a studio theater, music and recording spaces, the Digital Media Center, a student engagement hub, an Apple store, open seating, and multiple dining options.

NEW CAR UPDATE

It's time for the Tahoe to get an upgrade! We're switching it out for a 2024 Honda CRV, keeping all the features of the old car with a working light bar at the top. For now, we'll keep the Tahoe in use while we wait for the car customizations to arrive, but you can expect to see the new car in action in the coming months!

HERO ALUMNI SPOTLIGHT: ALYSSA FROMELIUS

Alyssa graduated with a degree in Public Health and Philosophy (JHU '25), and she's continuing her education by pursuing a Master's in Health Economics and Outcomes Research. She is a James Hoff Sr. Award winner—recognized for answering over 100 calls during her tenure! As a former Captain, Duty Officer, and Recruitment Officer, she brought unwavering leadership and compassion to every role. Alyssa's dedication to service helped shape HERO into the strong community it is today. We're proud to celebrate her incredible impact!
